## Legacy Wealth Strategist

SPEAKER & BESTSELLING AUTHOR

**It's time to take 100% control of your financial future, no matter what age you are. This affects all of us. You have nothing to lose and EVERYTHING to gain!**

Celebrated by audiences nationwide as a thoughtful, engaging and generous teacher, bestselling author Kris Miller speaks about financial freedom, second chances and how to thrive in an uncertain economy. Kris Miller's life is centered on service to others and is built on the foundation of her own second chance. Mansions and forest fires; #1 records and a 3,000 mile, barefoot journey across America; \$1,000,000 of chemotherapy and an enduring legacy, building and protecting people's financial security - Kris's stories are at once, heartbreaking and uplifting. Along the way, Kris has saved more than 6,000 families from tragedy and financial ruin. She's been called a Legacy Wealth Strategist for the simple yet powerful workshops and keynote presentations she delivers to community groups, corporations and governments. Kris has designed programs that transform people's relationship to money, debt, security, estate planning and creating lives of celebration. Kris has been a featured guest on hundreds of radio and TV programs; published in hundreds of print and online publications; and spoken on stages across the country for companies and top financial organizations. She's a Certified Senior Advisor; a Chartered Federal Employees Benefits Consultant; a Legal Document Assistant (Paralegal); and she's been nominated for Woman of the Year and Best Customer Service by the Chamber of Commerce.

Kris Miller is the Money Maestro (and she's written several #1 songs you may have heard on the radio).

### LIVING TRUST WORKSHOP

The vast majority of Americans have not protected their assets should tragedy strike. There are simple ways to protect your estate from taxes, disagreements and probate costs. Learn how to keep your money safe and secure to benefit your loved ones. Make sure your wishes are carried out & protect your savings should you be faced with unexpected medical challenges.

### FROM HEALTHY MONEY TO A HAPPY LIFE

So much of our enjoyment of everyday life is determined by how we handle our finances. More Americans are buried in debt than ever before and life can easily become a struggle. With some simple strategies, your financial picture can be bright and you can celebrate the richness of your life. Enjoy the adventures you always wanted to have and never worry if you can afford them.

Kris Miller's Keynotes and workshops are interactive, entertaining, informative and give audiences the tools and methods to change their financial futures. In addition to her established presentations, event organizers are invited to request a customized keynote or workshop tailored to their specific needs and desires. Kris loves tapping into what will bring the most value to your employees, customers, attendees or colleagues.

Kris conveys her rare devotion for informing and providing essential information that is often hidden from the general public. She calls out the errors in perception, exposing misleading data and leads the way with integrity to greater wealth, healthy money practices and happy and fulfilled lives.

### HERE'S WHAT PEOPLE SAY ABOUT WORKING WITH KRIS MILLER

#### Exceeds Expectations

"Kris not only met but exceeded our expectations! Her presentation style is interactive, engaging and thorough. She's friendly, focused, exceptionally knowledgeable and relaxed. She inspired and motivated conference attendees, many of whom stood in line to receive an autographed copy of her book, "Ready for PREtirement."

- Cyril Byron, Jr.,  
Government Finance Officers of the Washington, DC Metropolitan Area (GFOA-WMA)

#### Inspiring & Informative

"Many professionals can be inspiring and many informative, but seldom do the two co-exist. Such is the case with Kris Miller. In all my years of working with financial experts, I have never been as inspired or informed as I have been with Kris. She really knows her stuff and she knows how to engage others to the process of gaining greater financial freedom. I recommend her highly, for both individuals as well as firms looking to increase their financial viability."

- Val Jon Farris, Co-Founder  
Diamius International, a global consultancy firm

#### Fresh Insights

"Kris Miller has been a fine guest on Money 101...she brings fresh insights to an important issue."

- Ken Jeffries, Producer  
Money 101, KFVB NEWS TALK 980, Los Angeles, CBS Radio
